Ownership of Survey No. 522/1 Bellary.

Reference your No. 21544/50$/ M.L.C. dated the 16th December 1930.

2. I have the honour to state that I have carefully gone through the records of the late Cantonment Authority, Bellary and could trace no information to show that any income was derived by the Cantonment Authority from trees grazing etc., from the waste land in R.S.No. 522/1 referred to in para 3 of my No. 1288/3/20 dated 24th October 1930.

When theSpecial Lands Officer was in Bellary Cantonment to prepare the General Land Register of that station, the Collector of Bellary furnished him with a list of lands in that station as it stood on 1st April 1921 the revenue of which was collected by the Local Government. The above list was forwarded to you under Special Lands Officer Bellary letter No. 460/4/2 dated the 29th August 1929. As revenue Survey No. 522/1 of Bellary was not included in the above list it is to be presumed that the site in question was in the occupation of the Government of India on 1st April 1921.

Reference your No. 21544/46/M.L.C., dated the 10th September'30.

2. The Revenue Survey No. 522/1 of Bellary in question is a vast area measuring 459.55 acres. Out of this area, 247.82 acres were in the occupation of the Government of India on the 1st April 1921 on account of the following : --

1) Upper Fort - area 187.77 acres.

2) Fort Moat Reservoir - area 16.52 acres.

3) Part of Sanitary Cordon and land possibly required for future Military use. - area 4.00 acres.

4) Old Kharkhana Lines - area 4.15 acres.

5).M.E.S.Roads - area 19.96 acres.

6) Cantonment Roads - area 8.22 acres.

7) Cantonment Lanes and streets - area 4.55 acres.

8) Old Saddle Room and Pharmacy - area 2.65 acres.

Items 1,2 and 5 are classified in the General Land Register of Bellary as "A-1 " items 3 and 4 as "A-2", items 6 and 7 as "C" and item 8 as "B-3". With regard to item 8 please see this office letter No.784/4/2 dated 4.8.1930.

3. The remaining portion of the above Revenue Survey Number was waste and neither the Local Government nor the Government of India were in possession of the same on the 1st. April 1921.

4. The whole area of R.S.No. 522/1 of Bellary is not shown in the list of lands in the Bellary Cantonment as it stood on the 1st April 1921, the revenue of which was collected by the Local Government "(forwarded to you under para 3 of the Special Lands Officer's letter No. 460/4/2 dated the 29th August 1929).

5. Although the Cantonments Act is withdrawn from Bellary Cantonment with effect from 1st July 1930, I regret I am not in a position to state whether the land in question is now surplus to military requirements or not. The Local Military Authorities may kindly be consulted on the subject.

ENCLOSURES .....

SPARE COPIES 1 c

Land - Bellary - S.No. 522/1. ownership -report -

Ref. Board's Ref. No. 1721/31.1. dated 1.4.31.

S.No. 522/1 of Bellary measures Ac. 459.55 and is classed as Town site and Hillock Pormaboke, in the Revenue accounts. The military authorities contend that the following 8 items of property comprised in the said poramboke were in the occupation of the Government of India on 1.4.1921

(a) Upper fort.

(b) Fort moat Reservoir.

c) Part of Sanitary Cordon and land possibly required for future military use.

(d) Old Kharkhana lines.

(e) M.E.S.Roads.

(f) Cantonment Roads.

(g) Cantonment Lanes and Streets.

(h) Old Saddle Room and Pharmacy.

2. <u>(a) and (b) Upper Fort and Fort Moat Reservoir</u>.

The fort is situated on a solid rock built during the Pre-British period with a Reservoir attached to it. The residents of Cowl Bazaar,Bellary , used the water of the Reservoir for drinking purposes in preference to the wells within the municipal limits. The municipality was therefore paying a contribution of Rs.250 to the military authorities towards the annual cost of repairs to the Reservoir (Vide

14 P

Vide G.O.No. 243 M. dated 5.2.1907). In G.O.No. 1032 P.H. Mis. dated 14.7.24 it was further decided that the Municipal Council, Bellary, had no right to the use of the water of the Reservoir. Both these items were in the unconditional occupation of the Government of India on 1.4.1921.

(C) Part of Sanitary Cordon and (d) Old Kharkhana Lines.

Item No.(c) was vacant site in Town site poramboke with a few stone and brick pillars here and there. Item No.(d) originally consisted of a few huts occupied by low class people now mostly deserted. As these items were open vacant sites in Town site poramboke it may be held they were not in the occupation of the Government of India on 1.4.21 but poramboke lands vested in the Local Government.

(e) M.E.S.Roads. (f) Cantonment Roads.(g) Cantonment Lanes & Streets.

These roads though laid out by the military authorities were highways dedicated to the public. They merely vested in the Government of India for administrative purposes. They have now been transferred to the municipal council. Co. No 2552 Item No 26-630. As these items are porambokes set apart for public purposes, they cannot be considered to have been in the unconditional occupation of the Government of India on 1.4.1921.

(h) Saddle Room and Pharmacy.

These buildings were leased out to the Discharged Prisoners' Aid Society, Bellary, by the military authorities in 1926. No ground rent is being levied on the buildings by the Revenue -- Department. These buildings were in the unconditional occupation of the Government of India on 1.4.1921.

3. I, therefore, advise that 3 items (a) (b) and (h) out of those mentioned by the military Department were in the unconditional occupation of the Government of India on 1.4.1921 and that the others were not.

Ref:- Board's No. B. 1721/31-3 dated 1-8-31.

Para 1 of the Board's Reference

Item No. 1. The area of the Bellary Fort class (iii) work of defence noted as item No. 8 of the schedule of lands A-1 in the Bellary Cantonment as communicated with Board's Ref.B. ~~1371~~ 71-/27-7 (Confdl) dated 20-9-28 is 187 acres. This figure was shown against item 8 of schedule A-1 lands in the statement (A) submitted to the Board with this office Ref.C. 3026/28 B-4 dated 6-1-29. It was a round figure. The exact area now furnished by the Military Estates Officer (187.77 Acres) may be adopted.

Item No. 2. The area of the "Old Saddle room and Pharmacy (Ac 0.20) furnished against item No. 15 of statement A is the plinth area of the buildings. The area of Ac 2.65 now furnished by the Military Estates Officer includes the area of the land appurtenant to the buildings enclosed by a compound wall recently constructed and it may be adopted.

Para 2 of the Board's Reference.

As presumed by the Board item No. 2 in the Military Estates Officer's letter (Fort Moat Reservoir) is the same as item 30 in statement A (Fort Ditch). The extent of Ac 21.40

comprises the area of the bund, sluice and channel included in the Fort Ditch items 1,2 and 3 of the list of Military buildings communicated with the Board's Reference B. 71 Confdl /27-1 dated 2-4-27. The area Ac.16.52 now furnished by the Military Estates Officer represents the extent of the channel only.

Item No. 3 in the Military Estates' Officer's letter (Part of Sanitary Cordon and land possibly required for future Military use- Area 4.00) is quite different from item No. IV in schedule A-2 (Sanitary Area- East of Bulfin Lines). The former is close to the old Karkhana lines.

Item No. 4 in the Military Estates Officer's letter (Old Kharkhana lines) is the same as item J(Kharkhana area) in A.K. list of lands submitted to the Board with this office Ref.C.3026/28 B-4 dated 6-1-29. The area 1-65 previously furnished is the plinth area of the buildings. The extent Ac (4.15) now furnished by the Military Estates' Officer doubtless includes the area of vacant sites adjoining the Kharkhana lines.

*marked by Shift in (E) pp 235 this cartfile 11/1/24

(1) Item 1 - Upper Fort - is clearly shown in the Statement as under the occupation of the Cantonment Authority on 1.4.21, but its area is shown as 187.00 acres against 187.77 acres mentioned by the Military Estates Officer.

Shown & marked Schedule A

P.T.O.

(2) Items 5, 6, 7 & 8 - M.E.S. Roads cantonment roads, Streets and lanes, Old Saddle Room and Pharmacy - do not find place in the Statement.

(3) Item 2. Fort Moat Reservoir. 16.52 acres.

In the old statement two Fort Ditches are shown as in the occupation of the Cantt. authority on 1.4.21. The area of one is shown as 21.40 acres; the area of the other is not entered. It is not clear whether the Fort Moat Reservoir referred to in the Mil. Estates officer's letter is one of these two ditches and if so, whether there is any discrepancy in the area.

Item 3 - Part of Sanitary Garden and land jointly required for future military use - 4.00 acres

In the statt., a portion of S. no 522/1 measuring 45.60 acres is shown as "Sanitary Area East of Bulfin Lines" in the occupation of the Cantt. authority on 1.4.21. It is not clear whether item 3 referred to above is the same as this Sanit Area and if so, why there are discrepancies regarding area and the authority in occ on 1.4.21. The Mil. States that item 3 is permanent land vested in the Local Govt.

Item 4. Old Kirkee Lines. 4.15

vesting in the Local Govt. In the Rt Statt., an extent of 1.65 (63) acres in S.No 522 is shown as 'Karkhana Area' in the occupation of the Military Engineer.
